PTO-1449, were identified in the International Search Report for the underlying PCT Application No. PCT/NL00/00594, filed August 25, 2000. In addition, European Patent No. 688,407, which was cited in the International Search Report, is also discussed on page 1 of the specification of this application. Copies of the International Search Report and the references cited therein are not enclosed because the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US), dated May 21, 2002, indicates that copies of the International Search Report and references cited therein were received by the United States Patent and Trademark Office. The International Search Report indicates the relevance of each reference cited therein.

Because this Information Disclosure Statement is being submitted within three months of the filing date of a national application, it is timely under 37 C.F.R. § 1.97(b)(1) and no fee is required. However, the Commissioner of Patents and Trademarks is hereby authorized to charge any additional fees, which may be required to Deposit Account No. 23-0650. One (1) original and two (2) copies of this Information Disclosure Statement are enclosed.

Respectfully submitted,

WEBB ZIESENHEIM LOGSDON
